PROJECTS

Thisai - The Tamil Nadu Tourism — Android Application

This is a content sharing application about tourist places in TamilNadu. It will help the user with planning his trips in and around Tamil Nadu.As a part of the team, I took responsibility of the UI design for this app and successfully completed my responsibility by providing the application with a easy and smooth interface.

INTERNSHIP

C Drive Solutions: Exploring Networking Hardware(1 week)

Throughout the due course of my internship period, I had been introduced the networking hardware components, how they function and how to set them up and also have the practical experience in setting those networking hardware components.
