Hardworking and passionate job seeker with strong organizational skills eager to secure entry-level python developer position. Ready to help team achieve company goals.

Demonstrates strong analytical, communication, and teamwork skills, with proven ability to quickly adapt to new environments. Eager to contribute to team success and further develop professional skills. Brings positive attitude and commitment to continuous learning and growth.

EXPERIENCE

Home tution

Self employed

I provided personalized home tuition to students, helping them with homework, exam preparation, and strengthening their understanding of various subjects. By tailoring lessons to each student's needs, I fostered a positive learning environment that improved their academic performance and confidence.

Internship

NEW YORK CEO COUNCIL

During my internship, I gained hands-on experience in cloud, contributing to team efforts. This opportunity allowed me to develop my skills in technical support, collaborate with professionals, and gain valuable industry insights.

Internship

DISCOVER

During my internship at Discover, I gained hands-on experience in professional skills, contributing to team efforts. This opportunity allowed me to develop my skills in discovering myself, collaborate with professionals, and gain valuable industry insights.

EDUCATION

KEY ACHIEVEMENTS

NSS Activity

During my one-week NSS (National Service Scheme) camp, I actively participated in various community service activities such as cleaning, tree plantation, and organizing awareness programs. I collaborated with fellow volunteers to improve local infrastructure and help those in need. This experience strengthened my leadership, teamwork, and problem-solving skills while fostering a deep sense of social responsibility.
