

Brindha A

Data Science

About Me

As a recent graduate and course completed in Data Science, I am passionate about data science and eager to apply my skills in statistical analysis, machine learning, and Python programming. Through academic projects, I've gained hands-on experience and developed a solid foundation. I am excited to contribute my enthusiasm, adaptability, and commitment to continuous learning to a dynamic data science team."

📍 164/140, Ponnandanvalasu,
Pethampalayam(po), Kanjikovil (via),
Erode.

Hard Skill

- Python
- Statistical Knowledge
- Data Manipulation
- Data Analysis
- Machine learning
- Data Visualization
- Data ethics and privacy

Soft Skill

- Observation
- Networking
- Communication
- Multi-tasking
- Presentation Skills

Education Background

- BCA - Shree Venkateshwara Arts And Science College 80% (2020 - 2023)
- HSC - BKN Hr.Sec.School 77% - (2020)
- SSLC - TNK Hr.Sec.School 87% - (2018)

Project

Climate Change and Global Food Supply

Developed predictive models using machine learning algorithms to analyze the impact of climate change on global food production. Integrated diverse datasets including weather patterns, crop yields, and socioeconomic factors. Identified regions at highest risk of food insecurity and recommended targeted interventions for adaptation and resilience.

Reinforcement Learning Chatbot Project

Developed a chatbot using deep Q-learning to enhance conversational fluency and engagement. Trained on conversational data, enabling dynamic responses through continuous user interaction. Improved relevance and contextuality of responses over time.

Online vegetable Selling And Delivery System

The project report entitled ONLINE SELLING AND DELIVERY SYSTEM provides convenience for the customers. It overcomes the disadvantage of the traditional queuing system. It increases the takeaway of vegetables than visitors.. **Front End: Asp.Net**
Back End: SQL Server2008

Achievements

- PPT presented in Gobi Arts and Science College with the topic of Soft Computing in the National Conference on Recent Trends in Information Technology

Certificates

Data Science Course Completed at vites Technologies
-2023-2024

8/7/24 - online.
