INTERNSHIP EXPERIENCE

Klodev, Coimbatore

Software Developer Intern

07/2024 - 08/2024

- Designed and implemented REST APIs using Node.js for optimized backend services.
- Developed a data scraping module using java Spring Boot, enhancing performance by 20%.
- Collaborated with cross-functional teams in an Agile environment to deliver scalable solutions.

Cloud plus plus

Virtual Student Intern

01/2024 - 02/2024

- Deployed cloud-based applications on AWS services (EC2, S3, Lambda).
- Gained hands-on experience in cloud architecture and resource optimization.

EDUCATION

KIT- Kalaighnarkaranidhi Institute of Technology, Coimbatore

B.Tech Computer Science and Business Systems - 8.15

November 2021 - May 2025

Coursework: Web Development, Cloud Computing, Agile Software Engineering, Database Management

PROJECT

Student Result Portal with Progress Generator (Python-Django, SQLite3) [🔗](#)

- Built a responsive web application for managing student results with CRUD functionality.
- Implemented an interactive React.js UI, enhancing user experience.
- Optimized database queries for faster data retrieval.

Loan Acceptance Predictor using Machine Learning (Python, Scikit-Learn) [🔗](#)

- Developed a predictive model using Decision Tree algorithms for loan approvals.
- Implemented SQL optimizations for efficient data processing on large datasets.

Product Mentor - Sentiment-Based Product Recommender (React.js, Node.js, MongoDB) [🔗](#)

- AI-powered platform that provides personalized product recommendations using sentiment analysis.
- Collects and analyzes user reviews from multiple sources to categorize sentiments (positive, negative, neutral).
- Features a recommendation system for real-time assistance and a rewards system for user reviews.

SKILLS

- Programming Languages: C, Python, Java
- Web Development: React.js, Django, Spring Boot (Basic), REST APIs, MySQL, MongoDB
- Cloud Platforms: AWS (EC2, S3, Lambda)
- Tools: Git, Postman, Selenium
- Soft Skills: Agile Methodology, Problem-Solving, Team Collaboration

CERTIFICATE

Java Full Stack Certification - Wipro Talent , Database Management System (NPTEL), Python foundation [🔗](#) (Infosys SB)

Competitive Programming: Achieved CodeChef rating of 1438(max) with 250+ solved problems. [CodeChef Profile](#).
