EDUCATION

- **Bachelor of Computer Science** - Nallamuthu Gounder Mahalingam College, Pollachi (2021-2024) - **64%**
- **Certificate Program in Data Analytics & Machine Learning** in Imarticus at Coimbatore

TECHNICAL SKILLS

- Advanced Excel
- SQL
- Statistics
- Python
- Power BI
- Machine Learning

PROJECTS

- **Russia-Ukraine War - Power BI Dashboard Project.**

Built a Power BI dashboard to track Russia-Ukraine war trends, improving insight delivery through interactive charts and visual summaries for stakeholders

- **Restaurant Revenue Prediction.**

The notebook analyzes restaurant revenue data by performing data preprocessing, visualization, and feature encoding. It builds predictive models (like Random Forest and Linear Regression) to estimate restaurant revenue, and evaluates model performance using metrics like R^2 , MAE, and MSE.

SOFT SKILLS

- Strong Observation & Decision-Making Skills
- Effective Communication & Presentation
- Problem-Solving

CERTIFICATION

- Typewriting : English (Junior & Senior), Tamil (Junior)

AFFILIATION

- National Service Scheme (2021-2024)
-
