Coimbatore, TamilNadu - 641032, India

OBJECTIVE

AI and Data Science graduate with hands-on experience in machine learning, computer vision, natural language processing, and Python development. Proficient in working with Generative AI, large language models (LLMs), FastAPI, and modern deep learning frameworks. Seeking to apply my technical skills and practical knowledge to contribute to cutting-edge AI projects and continue growing in the field of artificial intelligence.

EDUCATION

- Hindusthan Institute of Technology** 2021 - 2025
BTech Artificial Intelligence and Data Science Coimbatore, India
 - CGPA: 8.41 / 10
- KMR International School** 2020-2021
HSLC Madurai, India
 - Percentage: 72%
- KMR International School** 2018-2019
SSLC Madurai, India
 - Percentage: 68%

SKILLS

- Programming Languages:** Python, Java
- Database Systems:** MySQL, MongoDB
- Data Science & Machine Learning:** Scikit Learn, OpenCv, spaCy, NLTK, pandas
- Data Visualization:** matplotlib
- DevOps & Version Control:** Github, GitLab, Docker (containerization)
- Specialized Area:** Data Analytics, Computer Vision, Machine Learning, Generative AI, NLP
- Other Tools & Technologies:** LLM, GenAI, MCP (Model context Protocol), FastAPI, Pandas, NumPy

WORK EXPERIENCE

- AI Engineer** MAR, 2025 – MAY, 2025
Hifresh Agro Private Limited Coimbatore, Tamil Nadu, India
 - Contributed to building and fine-tuning large language models (LLMs) and NLP systems for intelligent text generation and understanding tasks.
 - Worked on AI-based image generation projects and developed robust APIs using FastAPI to serve models in real-time, integrated with GitLab for CI/CD.
 - Used Docker to containerize models, connected them to MongoDB for data handling, and applied Model Context Protocol (MCP) to manage dynamic model behavior.

INTERNSHIPS

- Computer Vision Intern** DEC, 2024- MAR, 2025
H.Solos Cargo Remote
 - Developed a real-time posture detection model using Mediapipe and OpenCV to analyze and monitor human posture accurately.
 - Implemented pose estimation algorithms and optimized the model for real-time inference with minimal latency and high accuracy.
 - Tested and fine-tuned the model for various real-world scenarios, improving robustness in lighting conditions and camera angles.

PROJECTS

- **Project Title: Tooth Disease Detection (Caries or Gingivitis)**

Tools: *Python, TensorFlow, OpenCV, Convolutional Neural Network (CNN), Data Augmentations*

- Developed a smart **Tooth Disease Detection** a CNN-based model to detect and classify tooth diseases (Caries or Gingivitis) from dental images, applying data augmentation and annotation for enhanced accuracy from various image angles.
 - Tested and validated the model on real-world dental images, improving detection performance and achieving high classification accuracy in disease identification.

• **Project Title: [Email Spam Classifier]**

Tools and Techniques: *[spaCy,Tokenization, stemming, lemmatization, stop word removal, and lowercasing]*

- Developed an **Email Spam Classifier** using **Natural Language Processing (NLP)** techniques and machine learning algorithms to identify and filter out spam emails from inboxes
 - Deployed the model as a **real-time email classifier**, capable of processing incoming emails and categorizing them into spam or legitimate mail categories.
 - Achieved a high classification accuracy, successfully filtering out spam emails with minimal false positives, thereby improving email management and security for users.

CERTIFICATIONS

- **Data Analytics and Visualization Job simulation at Accenture**

July 29,2924

- **Introduction to NLP**

July,25 2023

- **UI and UX Design**

October 9,2024

PERSONAL DETAILS

Name: Aksha Rubavathi **Date of Birth:** 09-01-2004

Father’s Name: Sangaiah .V

Permanent Address: 1/1A Paneer Selvam Steet, Othkalmandapam , Coimbatore-641032

Nationality: Indian

Language: Tamil (S-R-W) English(S-R-W)

DECLARATION

The above furnished information is true to the best of my knowledge and belief and can be supported by relevant documents.

Place: Coimbatore

Date: 06/02/2025

S.AKSHA RUBAVATHI
