

BENON SOLOMON X

GEN-AI DEVELOPER / DATA ANALYST

➤Nagercoil, Tamilnadu, India |✉benonsolomon@gmail.com |☎+91-9342341302

PROFESSIONAL SUMMARY

Computer Science Engineering graduate (2025) with hands-on experience in data analyst and Generative AI development. Strong foundation in Excel, SQL, Power BI, Python, and API-based applications. Experienced in building dashboards, AI chatbots, and RAG-based document assistants through structured training and internship. Quick learner with strong analytical and problem-solving skills, available to join immediately.

PROFESSIONAL EXPERIENCE

Gen-AI Developer Trainee, AgileTribers Tech Solutions	NOV 2025 - PRESENT
- Developed Gen-AI applications using Python and Streamlit - Implemented RAG pipelines for PDF-based question answering - Built REST APIs using FastAPI and integrated them with front-end applications - Applied prompt engineering techniques for text generation and summarization	
Data Analyst Intern, Nestsoft Technologies	JUNE 2024
- Performed basic data cleaning, formatting, and validation tasks - Assisted in preparing Excel-based reports and simple dashboards - Worked with structured datasets and supported analysis workflows	

PROJECTS

Data Analysis Dashboard
Cleaned datasets, performed exploratory data analysis, and built KPI dashboards using Excel, SQL, and Power BI to extract actionable insights.
FastAPI Backend for AI Applications
Developed REST APIs for AI-based features and connected them with a Streamlit front-end for real-time interaction.
AI Chatbot Using Prompt Engineering
Developed a chatbot capable of summarization, classification, and Q&A tasks using structured prompts and LLM APIs.

SKILLS

Generative AI:	Programming & Backend:	Data Analytics:
- RAG Pipelines - Prompt Engineering - LLM APIs - Chatbot Development	- Python - Streamlit - FastAPI - Sqlite	- Excel - Power BI - Data Cleaning - EDA(Exploratory Data Analysis)

EDUCATION

Bachelor of Engineering (B.E.) in Computer Science and Engineering	2021 - 2025
St. Xavier's Catholic College of Engineering, Nagercoil, Tamil Nadu	
Coursework: Python(Pandas,Numpy), Data Structures, Data science, DBMS & Machine Learning.	

ADDITIONAL INFORMATION

Languages: English, Tamil. Certifications: - Microsoft Power BI Data Analyst Associate through assessment administered by ICT Academy. - Participated in the International Conference on Computational Intelligence & Data Science. Activities: - Team Leader for College Final Year Project and professional training program. - Interested in money management & finance topics.
