Summary

Computer Science graduate with real-world internship experience in Full Stack and MERN Stack development, actively involved in building scalable web applications and a real-time chat system. Strong hands-on skills in Python, JavaScript, React, Node.js, MongoDB, and Express.js, with project exposure to machine learning, data analysis, and fraud detection. Known for quickly adapting to new technologies, collaborating across teams, and delivering practical, performance-driven software solutions.

Education

St. Joseph's College of Engineering, Chennai

Bachelor of Engineering in Computer Science

Oct 2021 – June 2025

CGPA: 7.58

Sowdambikaa Boys Hr. Sec. School, Tiruchirappalli

HSC

May 2019 – May 2021

PCT: 82%

Sri Akilandeswari Vidyalaya, Tiruchirappalli

SSC

May 2017 – May 2019

PCT: 79%

Experience

CodeBind Technology Pvt.Ltd.

Frontend Developer Intern

Jan 2025 – Sep 2025

Chennai

- Developed a Gym Registration web application with backend SQL integration, improving client onboarding process.
- Collaborated in a team of 5 to provide real-time client support and issue resolution.

Projects

Static Web Hosting Using AWS CodeDeploy & CodePipeline

- Automated the deployment of static websites using AWS CodeDeploy and Code Pipeline, reducing manual effort by 50 percent.
- Configured IAM roles and streamlined continuous delivery using Code Pipeline, ensuring minimal downtime during updates.
- Diagnosed and resolved deployment errors and IAM misconfigurations in EC2 access, ensuring consistent pipeline operations.

UPI Fraud Detection Using Machine Learning

- Developed a project based on random forest and decision tree algorithm in which the accuracy of frauds are detected.
- Collaborated with a team to design and implement algorithms, enhancing the accuracy and relevance of UPI fraud detection

Technical Skills

Programming Languages : Python, HTML, CSS, JavaScript

Cloud and DevOps : AWS (EC2, S3, IAM, etc), GitHub Actions, Docker

Database : MySQL

Certifications

- Cyber Security – CISCO
- Implementing DevOps with AWS – Infosys Springboard
- HTML, CSS, JavaScript for Web Developers – Coursera

Achievements

- Participant – India Smart Hackathon 2024
- Participant – Auto Hackathon 2023 (Ashok Leyland & AIC-Anna Incubator)
- 2nd Place – Tecblaze 2023 (SRM Institute)
